

**Complimentary GC Index® profile report and 60-minute one-to-one online review**

This report and personalised session will provide details of the individual's natural proclivities, an understanding of the GC Index® language and an appreciation of how it can provide unique insights into the decision-making during recruitment.

**Fees:** Free of charge

**Recommendations for candidate profile with 30-minute online meeting**

Based on the job description and person specification, essential and desirable areas of impact can be agreed for potential candidate profiles.

**Fees:** £100 + VAT

**GC Index® profile reports and 60-minute one-to-one online reviews for shortlisted candidates**

All shortlisted candidates receive a GC Index® profile and one-to-one online review. These can be discussed and measured against the requirements of the role. This information is shared with you, along with suggestions on how each person can make an impact and possible areas that require further investigation.

**Fees:** £200 + VAT per person

The following services are completely optional and offer a deeper understanding of individual and team profiles. They highlight existing team strengths, culture, values, tensions and gaps. That awareness can prove invaluable when considering taking on new team members and leaders.

**GC Index® profile reports and 60-minute one-to-one online reviews for team members**

As with the complimentary service above, these reports and review sessions provide details of each team member's areas of impact, their proclivities and can inform the criteria and potential profile of incoming staff.

**Fees:** £200 + VAT per person

**Team snapshot reports for up to 8 staff who have had individual GC Index® profiles**

Personalised and tailored diagnostic reports based on the individual GC Index® scores of a team.

The full report and 90-minute online group feedback session includes:

- Collated view of all team member's individual GC Index® profiles
- Leadership combinations within the team
- Three aggregated GC Index® scores for the team (inclusive, dominant and potential)

**Fees:** £300 + VAT per team snapshot report
